NAME

To whom it may concern:

This serves as a formal authorization for you to discuss and release information regarding the projects listed below to Hawthorne Group Inc. and parties referred to you by them.

Hawthorne Group Inc. is actively working, on a restricted basis, to locate new owners for the property listed below. Their interest is to locate potential buyers that have an interest in acquiring and rehabilitating this housing to meet the long term needs of the community in which it is located.

I am authorizing the release of requested information for this property including, but not restricted to, financing, operations, rental assistance and demographic information.
